# UEBT ATTESTATION

## ATTESTATION NUMBER

UEBT/ATTN/2023/0039

## ATTESTATION ISSUED TO

France Lavande

## RAW MATERIAL

Lavander and lavandin essential oils (common name), *Lavandula angustifolia* ; *Lavandula x intermedia* (scientific name)

## COMPLIANCE LEVEL

### Responsibly sourced

Possible compliance levels:

- Responsibly sourced: Compliance with critical requirements in the UEBT standard that cover mitigation of negative impact, supply chain due diligence, and risk management.
- Ethically sourced: Compliance with full UEBT standard; that is, responsible sourcing requirements plus requirements that promote positive impact for people and biodiversity.

## SCOPE OF THE ASSESSMENT

- Size of the sourcing area: 179 Ha of Lavender and 1095 Ha of Lavandin
- Valid harvest/collection of ingredient: Harvest 2022 to 2024
- Ingredient: Lavander and lavandin essential oils
- Supplied by: France Lavande
- Area(s): Drôme, Ardèche, Gard, Vaucluse, Alpes-de-Haute-Provence, Country: France

## VALIDITY OF ATTESTATION

Issue date: 07 February 2023      Expiration date: 26 October 2025

## NORMATIVE REFERENCES

Critical requirements of the UEBT Ethical BioTrade Standard (version 2020)

Critical requirements of the Field Checklist (Version 2021)

These documents are available at [www.uebt.org](http://www.uebt.org)

## VERIFICATION DECISION

The verification decision was taken by UEBT, based on a local assessment of sourcing practices by a UEBT qualified auditor.

## CLAIM

No use of any UEBT labels or UEBT consumer-facing claims are allowed. Business-to-business claims other than "Responsibly sourced Lavander and lavandin essential oils" require prior written approval from the UEBT Secretariat. Write to [claims@uebt.org](mailto:claims@uebt.org).

## TERMS OF ATTESTATION

This attestation shall lose validity if the attestation holder changes suppliers, farmers or sourcing practices. This attestation does not constitute a permit for access to genetic resources or their derivatives for their utilisation. Companies purchasing verified ingredients may -- through research, product development or commercialization activities -- trigger and need to comply with additional legal requirements on access and benefit sharing.

UEBT is a non-profit association that promotes sourcing with respect for people and biodiversity. [www.uebt.org](http://www.uebt.org)
